MAT

"...Our body is like a whole symphony orchestra.
No part of it - organ, tissue or cell - can play by itself,
ignoring the others. Like an orchestra all the organs, all the tissues,
all the cells are an integral part of a very complex living organism,
that first of all needs harmony..."

Instructions for a correct reinsert of your MicroCleaenergy

It is important to
remove MicroCleaenergy
before washing your
Wear Wellness Instrument;
reinsert them after
the wash and the ironing,
pay attention to this step:
MicroCleaenergy silvery
side must be adherent
to the silvery fabric.

Utilization note:

The silvery side
diffuses the
MicroCleaenergy energy.
To take advantage
of your Wear Wellness
product you need
to use this
metallised surface.
